

Connecting Specialty Solutions for Manufacturing

DIRECT WIRE AND CABLE – ACCELERATING QUALITY

Customized quality solutions in less
than one week

**Process
Improvement**

**Workforce
Engagement**

COMPANY PROFILE

Direct Wire and Cable has manufactured cable sets for the welding, power rental, and industrial cable markets. In 2013, Direct Manufacturing was established to manufacture insulated wire products.

CHALLENGE

They lost key employees responsible for quality function at the same time they were facing customer quality audits.

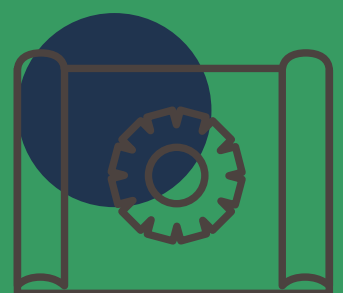

DESIRED RESULTS

Improve quality processes, train new employees, implement quality management system

MANTEC'S SOLUTION

MANTEC's Process Improvement and Workforce Engagement Specialist documented and improved the quality process and smoothly transitioned to a robust Quality Management System. MANTEC also helped hire two new highly qualified individuals.

RETURN ON INVESTMENT

- Retained **\$2 Million in revenue**
- **2 Highly qualified hires**
- **Improved quality** processes and systems
- Seamlessly transitioned personnel
